Hey There ! I'm Neha Chatandar

Hello there! I am passionate and ambitious Computer Engineering student currently purusing my B.E. degree. I find joy and fullfillment in exploring the vast realms of technology, from programming and software development to hardware design. My journey in the field of computer engineering has been a thrilling adventure, marked curiosity, challenges and continuous learning. I am deeply fascinated by the way technology empowers us to innovate and solve real-world problems. My coursework has equipped me with a solid foundation in various programming languages, algorithms and system design. I thrive on the excitement of turnong ideas into reality through code, and I am always eager to take on new projects that allow me to apply my skills and expand my knoweledge.

LIFE OF DR. AMBEDKAR

Dr. Babasaheb Ambedkar

Dr. Bhimrao Ramji Ambedkar (1891-1956) was a key figure in India's pursuit of social justice. As the **Chairman of the Drafting Committee of the Indian Constitution**, he played a vital role in establishing democratic governance and principles of equality. Ambedkar worked tirelessly to eradicate untouchability, frame laws for marginalized communities, and champion women's rights. Beyond politics, he was a **prolific writer** and the **first Law Minister of independent India** , focusing on labor laws and economic justice. His symbolic conversion to Buddhism in 1956 rejected the caste system. Ambedkar's legacy, celebrated on Ambedkar Jayanti (April 14), continues to inspire movements for justice and equal rights.
